

What is the Equiniti Investment Account?

An Equiniti Investment account is an easy and efficient way to buy and sell shares in Majedie Investments PLC, both online and over the telephone. The Equiniti Investment Account is a nominee dealing account, whereby your holdings are held electronically in our nominee name – you remain the beneficial owner. This means that you do not have the hassle and worry of share certificates, as all shares are held in a secure online account.

What are the key benefits of an Equiniti Investment Account?

We pride ourselves on continuing to have one of the most competitive Investment Accounts on the market. Our Investment Account is one of the few nominee accounts on the market to charge zero annual management fees and zero inactivity fees. This gives you the ultimate flexibility to invest when you want, without the worry of incurring unnecessary fees.

In addition to this benefit, this account also benefits from:

- Free to open & quick to set up
- Transfer your paper share certificates with a CREST form
- Add funds from your bank account by Direct Debit or use your Debit Card
- Online or telephone dealing and management
- All shares held electronically and securely
- Clear online views of your Majedie Investment PLC at summary and detailed level
- Real time price quotes
- Joint account option
- Income from Dividends can be paid to your bank account or reinvested into additional shares in Majedie Investments PLC

What kind of service do we offer for an Investment Account?

We offer a full, simple to use online and telephone execution-only investment service.

Will I receive interest on any cash held in my Investment Account?

Equiniti, currently, do not pay any interest on any balances in an Investment Account.

What are the costs of operating an Equiniti Investment Account?

You can find all of our Rates and Charges for online and telephone [here](#).

How do I open an Investment Account?

The quickest way to open an Investment Account is by applying online, **here**. We will usually be able to open your account immediately. Subsequently, you can use a debit card to fund the account and trade right away.

Alternatively, you can fill out an Equiniti Investment Account Application Form [here](#), or you can call our Customer Services on 0345 300 0430

I have a certificated holding in Majedie Investments PLC, how can I deposit these into my Equiniti Investment Account?

To deposit certificates with Equiniti you will need to complete and sign a CREST transfer form for each holding. If you hold multiple certificates of the same company, only one CREST transfer form is required. You will then be required to send us the CREST transfer form along with the certificate(s) and we will then arrange for these to be deposited into your account.

If the certificates are worth a significant amount, you may wish to consider sending the certificate(s) via registered post.

The form, which includes an example of a completed CREST transfer form, can be located within the forms sections **here**
