

Description

Majedie Investments PLC is an Investment Trust listed on the London Stock Exchange. It was founded in 1910, obtained Investment Trust status in 1985, and, from 2014, has been a self managed AIF under the AIFMD.

The Trust owns a 17.6% stake in the asset management boutique, Majedie Asset Management (MAM) having been a founding investor in 2002. In January 2014, MAM was appointed to manage substantially all of the Company's assets. The assets are managed as a segregated fund and through funds managed by MAM including an allocation to an Absolute Return Fund (MAM Tortoise Fund). The Board is responsible for asset allocation between MAM Funds.
